Why

The sites themselves shall seek to attain the following specific objectives:

- (a) highlighting their European significance;
- (b) raising European citizens' awareness of their common cultural heritage, especially that of young people;
- (c) facilitating the sharing of experiences and exchanges of best practices across the Union;
- (d) increasing and/or improving access for all, especially young people;
- (e) increasing intercultural dialogue, especially among young people, through artistic, cultural and historical education;
- (f) fostering synergies between cultural heritage on one hand and contemporary creation and creativity on the other;
- (g) contributing to the attractiveness and the economic and sustainable development of regions, in particular through cultural tourism.
