

URBACT II Managing Authority
194, avenue du Président Wilson
93217 Saint Denis la Plaine
France

Dear Madam, Sir,

Letter of Intent for Associated Managing Authorities – URBACT TN11 HerO

As stated in the Final Application form for the project

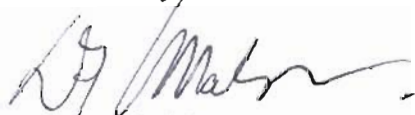

“Heritage as Opportunity (HerO) - Sustainable Management Strategies for Vital Historic Urban Landscapes”

the Northwest Regional Development Agency confirms its intention to take part in the implementation of the above mentioned project as Associated Managing Authority. We acknowledge the fact that no financial contribution is needed.

The specific challenge we wish to address in this project as an Associated Managing Authority is to support the HerO project as a member of the Local Support Group

We are convinced that by working through this URBACT project, we will be able to better address this challenge. In this context, if the proposal is approved within the framework of the URBACT II Programme, we will participate in the project as indicated in the Final Application in the view to foster the impact of the project activities on local policies.

Yours sincerely¹,
